Atria Books, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. The True Story Behind Manifesting Michelangelo: At the dawn of the new millennium, Joseph Pierce Farrell made a startling discovery that redefines what it means to be human and holds the potential to transform the world. Having abandoned his childhood dream of a career in healthcare when he was a young man, he drifted into a humble job restoring antiques and furniture. Then one evening while working in his basement studio restoring the face of a church statue, he stumbled upon his discovery. Now endorsed by leading scientists and medical doctors, and supported by profound photos, Farrell's body of evidence has served to construct a bridge to allow science and spirituality to heal their divide and advance the acceptance of the emerging integrative healthcare model. His discovery has the capacity to alter science, transform the face of healthcare and forever redefine the limits of human potential. This...
