Reviews

It is great and fantastic. Better than never, though i am quite late in start reading this one. Your life period will likely be transform once you comprehensive reading this book.

(Blanca Davis)

NEVER BREAK THE CHAIN (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Set among the Malibu mansions and Hollywood rock clubs of California's southland, *Never Break the Chain* finds Tim Green's grief over the loss of his father spinning into an obsessive quest to track down the wayward mother who deserted him almost three decades before. It's a journey that, like *Believe in Me* before it, sends Green venturing deep into the heart of the rock and roll jungle. Opening a few months after the end of *Believe in Me*, *Never Break the Chain* lands Green in the oceanfront Malibu compound of British guitarist Blake Saunders, who's just hired him to pen an authorized biography of his floundering, formerly-huge arena rock band. Even as the highly combustible Saunders son Mal—recently installed as the band's new lead singer—and daughter Jane offer him distorted reflections of himself, Green's efforts to retrace his mother's steps through LA's rock and roll underworld propel him toward a cathartic confrontation. The revelations to come challenge every answer he once thought he possessed to the most fundamental question of all: who is Tim Green? Equal parts family drama, literate thriller, and peek behind the curtain of an aging rock band, *Never Break the Chain* is ultimately a story about families—the ones we're born into, and the ones we create. Praise for *Never Break the Chain* Rock writer Jason Warburg ties up some loose ends with his latest Tim Green novel, *Never Break the Chain*. His charming protagonist is still threading the road to self-knowledge by poetically and amusingly examining the lives of others in this tale of excess and success. Best of all, a turn in the story resolves the mystery...
