

Thinking in Bets: Making Smarter Decisions When You Dont Have All the Facts

By Annie Duke

Portfolio. Hardcover. Condition: New. 256 pages. Dimensions: 8.2in. x 5.5in. x 0.6in. Poker champion turned business consultant Annie Duke teaches you how to get comfortable with uncertainty and make better decisions as a result. In Super Bowl XLIX, Seahawks coach Pete Carroll made one of the most controversial calls in football history: With 26 seconds remaining, and trailing by four at the Patriots one-yard line, he called for a pass instead of a handing off to his star running back. The pass was intercepted and the Seahawks lost. Critics called it the dumbest play in history. But was the call really that bad Or did Carroll actually make a great move that was ruined by bad luck Even the best decision doesnt yield the best outcome every time. Theres always an element of luck that you cant control, and there is always information that is hidden from view. So the key to long-term success (and avoiding worrying yourself to death) is to think in bets: How sure am I What are the possible ways things could turn out What decision has the highest odds of success Did I land in the unlucky 10 on the strategy that works 90 of the time...

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
