Trafford Publishing. Paperback. Condition: New. 232 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. New Horizons and My Angels is a study in triumphant over the author's true life frightening and threatening struggles. The author unselfishly exposes with annotated reality how life was and how her angels caressed her into her new being. With a stunning combination of a gutsy knuckle down determination and the silky graciousness of spiritual insight, the author weaves in and out of medications, surgery, suicide attempts, severe migraines and hallucinations. Her brutal collisions with her own brain and her family conclude in birthing her anew to a fresh meaningful archetype. Acaysha's story starts with the affliction of epilepsy when she was two. At the age of 25, she was overwhelmed with 22 seizures in one month. Foraging for better answers to the seizure strangulation hold on her, she conferred with the Mayo Clinic. After extensive testing, she was accepted as a good candidate for a complex innovative surgery to remove the damage to her brain. This sparked the beginning of an amazing journey. After the brain surgery, the author regressed in many ways back to being two years old. As she learned how to climb the ropes of life all over again, she painstakingly and miraculously created a bridge over this crater of emotional pain to get to the other side of her new reality. She goes on to discover a surprising revelation about the seizures. They had served her well as her attention getters and her stress boundary keepers. New Horizons and My Angels is a megaphone cheering people to wake up and celebrate life no matter your situation. The author has proven that a wee little boat against the mightiest of cruel winds can make it through the storm to witness a dazzling...
