Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Routledge, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This book is a gift to clinicians. The chapters speak to the variability of dissociation in children and adolescents and also to the learning curve that clinicians experience in identifying and treating dissociation. A much-needed and welcome resource!"-Christine A. Courtois, PhD, author of *Healing the Incest Wound* and coeditor of *Treating Complex Traumatic Stress Disorders* "Dissociation in Traumatized Children and Adolescents belongs on the bookshelf of every clinician who treats or who anticipates treating dissociative children and adolescents and should be read by every researcher studying trauma, dissociation, and dissociative disorders in the young."-From the foreword by Richard P. Kluft, MD, PhD, coeditor of *Clinical Perspectives on Multiple Personality Disorder* and Clinical Professor of Psychiatry, Temple University School of Medicine "In this engaging volume, Dr. Wieland brings together the world's leading experts in the provision of psychotherapy to dissociative children and adolescents. Clinicians faced with the challenges, mysteries, and opportunities presented by treating dissociative children will learn new ways of thinking about their work, practical solutions and techniques, and creative approaches to healing. They will also know that they, like their clients, are not alone, and that there are others out there like them. A must read for anyone working with child survivors of ongoing, interpersonal trauma."-Bradley C. Stolbach, PhD, Director, La Rabida Children's Hospital Chicago Child Trauma Center; Associate Professor of Clinical Pediatrics, The University of Chicago Pritzker School of Medicine, and author of *The Children's Dissociative Experiences Scale* and *Posttraumatic Symptom Inventory* "By interlacing client narrative with therapist case conceptualization, Dr. Wieland's book provides practical guidance from the premiere experts in the field. Dissociation in Traumatized Children and Adolescents sets the standard for best practices for therapists working with traumatized and dissociative children....
