

Endangered Species ACT: Information on Species Protection on Nonfederal Lands: Rced-95-16

Filesize: 2.33 MB

Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 32 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO reviewed the U. S. Fish and Wildlife Services (FWS) efforts to protect species under the Endangered Species Act (ESA), focusing on: (1) the extent to which species listed under ESA have habitat on nonfederal lands; (2) how two ESA provisions have addressed potential conflicts between species protection and the use of nonfederal lands; and (3) the extent and nature of legal actions taken to protect endangered species. GAO found that: (1) over 90 percent of the species protected under ESA have habitat on nonfederal lands; (2) nonfederal landowners have been required to alter their planned or ongoing activities in various ways to minimize and mitigate their potential impact on protected species; (3) FWS has enforced the ESA prohibition on the taking of protected species; (4) during fiscal years 1988 through 1993, FWS adjudicated 126 takings violations; (5) in at least four instances, FWS sought injunctive relief to stop or delay an activity on nonfederal lands that was viewed as posing a threat to a protected species; and (6) private citizens have claimed that species protection efforts have resulted in the uncompensated taking of private property in violation of the fifth amendment to the U. S. Constitution. This item ships from La Vergne, TN. Paperback.
