Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In her first twenty years of life, Ember knew mayhem better than most. Traumatized and tortured as a child, she soothed the pain of her past by keeping a needle close at hand and everything else away. Her self-imposed solitude kept the memories at bay and the world safe from her deepest and darkest secret; she could manipulate fire. When Ember meets Reed however, secrecy is no longer an option. Reed is an Elemental, a person born with the remarkable ability to control one of the four elements found in Nature. Ember is surprised to discover she is the first known female in a world of all male Elementals with an unparalleled affinity for fire, and her family is being hunted by a madman. Faced with an almost insurmountable task, Ember must find her long-lost sisters before they fall victim to their enemy s quest for immortality all the while learning control over the raging fire housed within her. Ember soon comes to realize with Reed by her side, anything is possible.
