Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

(Rebecca Bechtelar)

K. (PAPERBACK)**DOWNLOAD PDF**

VINTAGE, United States, 2006. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From the internationally acclaimed author of *The Marriage of Cadmus and Harmony* comes one of the most significant books in recent years on a writer of perennial interest-a virtuoso interpretation of the work of Franz Kafka. What are Kafka's fictions about? Are they dreams? Allegories? Symbols? Countless answers have been offered, but the essential mystery remains intact. Setting out on his own exploration, Roberto Calasso enters the flow, the tortuous movement, the physiology of Kafka's work to discover why K. and Josef K.-the protagonists of *The Castle* and *The Trial*-are so radically different from any other character in the history of the novel, and to determine who, in the end, is K. The culmination of Calasso's lifelong fascination with Kafka's work, *K.* is also an unprecedented consideration of the mystery of Kafka himself.
