

Titan Mine (Paperback)

By B L Alley

Lone Peak Publishing, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mining methane is a difficult process even when conditions are ideal, but when it has to be done on another world the challenge increases exponentially. The members of a mining crew have just completed construction of a new facility on the Saturn moon Titan, but shortly after they begin collecting the methane a discovery is made while mapping the surface. An expedition is sent to locate and identify the mysterious object, but what they find instead is a conspiracy that could not only lead to the destruction of mankind, but of all life on Earth. With a final desperate act they attempt to reveal the truth behind the object s existence before it s too late. From the Author of Arbor Day.
