By Haider Syed

Lulu.com, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Complete Introduction to the World of Web Design: A Visual Approach is a book aimed particularly at beginners who want to learn web designing step by step. However, it won t fail to enthrall even the somewhat more advanced user or even the expert, by supplementing or refining their knowledge. To accommodate this versatility, this book is divided into two sections; the first one focuses on teaching you how to use HTML to create your own web pages and the second one covers somewhat more advanced topics such as: Javascript, Search Engine Optimisation, Designing Logos and Titles, FAQs and much more. Furthermore, this book s intended audience also encompasses educators, teachers and instructors at schools, universities and other technical institutions who are looking for a book on web design to complement their course material or to serve as a main course book. A student interested in web design will also find it to be a useful addition to his reference library.
