PAM ON THE MAP: SEATTLE DAY TRIPS (PAPERBACK)

Wishing Rock Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Pam Stucky, a native of the Seattle area, loves this city and all it has to offer. And she knows that part of what makes the region spectacular is not just the city itself, but all the fantastic destinations within a two- or three-hour drive. In the ten day trips in Pam on the Map: Seattle Day Trips, Pam offers complete full-day itineraries, taking the guesswork out of where to go, what to do when you get there, and what to do along the way. She also includes optional side trips for those who like to veer from the prescribed path, or who might want to take a trip more than once with different variations. Included in each description is a list of miles traveled, start time, and end time, to give the traveler an idea of how long this trip will be. What s more, Pam has included important information about where to get gas, how to time your trip to your best advantage, what passes you might need on the trip, cell phone and internet considerations, and much more. Whether you take each trip exactly as described, or use the itineraries as mere outlines to get you out and exploring, Pam on the Map: Seattle Day Trips is a treasure of discovery and adventure.
