

Student Success for Health Professionals Made Incredibly Easy

By Olrech, Nancy

Lippincott Williams & Wilkins, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Student Success for Health Professionals Made Incredibly Easy shows students how to "win at the game of school" and succeed in their studies and careers. This unique guide instructs your students on managing their time, discovering their personal learning styles, making the most of their studying, and preparing for tests. Other helpful features include real-life scenarios; tips from the pros; chapter objectives lists; and end-of-chapter summaries and questions. A companion Website on thePoint offers extra resources, including a student planner, sample cover letters and resumes, and links to health career sites. LiveAdvise Student Success, an online tutoring service, lets students connect with experienced educators for help with studying, homework, and exam preparation. The Self-Paced Online Course is offered for free with purchase of the text. This online course walks students through the content of each chapter by utilizing visual and auditory content, as if having the content presented by an instructor. Each online chapter integrates fun learning activities such as flashcards, process/ordering drag and drops, jeopardy, and other activities. The Self-Paced Online Course concludes with a randomized final exam based...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
