It shelters different individuals who fled their home nation, such as for economic reasons, searching for better opportunities and standards of living. One such ethnic group that is part of this multicultural compound characterizing the Canadian population are the Chinese. As many others, they chose Canada to be their new home, envisioning an ameliorated and fairer life than the one they left behind. This is not surprising since, worldwide, Canada has a reputation of being based on meritocracy with hard work, motivation, and ambition, one can get wherever one wants to.
