If I could have foreseen the rippling aftershocks that followed I would have acted differently, but by the time I realized the extent of the consequences, it was too late. The MacBrides have always gone to Far Barn in Devon for Bonfire Night, but this year everything is different. Lydia, the matriarch, is dead; Sophie, the eldest daughter, is desperately trying to repair a crumbling marriage; and Felix, the youngest of the family, has brought a girl friend with him for the first time.
