AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Atomic Unification is a theoretical guide to oneness. Its primary hypothesis states that unity of mind, the point in evolution when the human race becomes one, is our fate. This hypothesis is realized by synthesizing the unifying principles of scientific analysis to spirituality. Einstein, Aristotle, Freud, Jung, Jesus, Buddha, and the classical ideas of other great minds are all integrated into one unified theory. The merging of science to spirituality allows every reader to journey through the book and experience new understandings and insights into the mysteries of the human spirit and universe at large. AscendingSpirits Atomic Unification is personable and easy to grasp. There are over 100 detailed illustrations that entertain and assist the reader to clearly understand the book s simple message: unification, the hope of humankind, will be fulfilled.
