Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Observations in Illustration of Virgil s Celebrated Fourth Eclogue To the original poem, which is prefixed for the accommodation of the classical scholar, I have subjoined, for the English reader, a new poetical translation, as nearly literal as I could render it. This I preferred to a prose translation, although the latter might certainly be rendered more exactly literal, because I wished to endeavour to convey, together with the strict sense of the original, some notion also of its spirit and poetical character; an object not to be attained by any translation in prose. For the further benefit of the English reader, to whom I was anxious to render this treatise as intelligible and interesting, if possible, as to the classical scholar, versions are added! Of all quotations occurring in the work. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
