Fox Chapel Publishing, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Learning to bend wood can take a woodworker in a whole new direction. Canoes, guitars, whimsical furniture and many other projects are within reach with an understanding of this age-old technique. Now, with the help of professional furniture maker, Jonathan Benson, woodworkers can learn the four basic wood bending methods: bending green wood, using heat or steam, bending panels and bending laminations. Seven step-by-step projects clearly illustrate how each technique is achieved and are presented with an eye for budget and practicality, making this book ideal for woodworkers of all skill levels.
