A NORTH COUNTRY LIFE: TALES OF WOODSMEN, WATERS, AND WILDLIFE (HARDBACK)**DOWNLOAD**

Skyhorse Publishing, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. A North Country Life is the story of author Sydney Lea s powerful connection to his family, friends, and the northern outdoors. Loosely organized by the changing of seasons, different sections feature essays on such topics as childhood family fishing trips in the wilds of Maine, trophy fly-fishing the northern reaches of the Connecticut River, the opening day of turkey hunting season in Vermont, and getting lost in the deep woods while deer hunting. The essays are introspective and dramatic illustrations of the blending of the human and natural worlds; emotion is attached to both spheres and adds texture to the sketches. Readers of varied interests will be drawn to the sincerity of the author s voice. A notable writer and poet, Lea s lyrical writing preserves a picture of people and places from the past with vivid scenes recalling former times and contrasting them with modern life. Thoughtful portraits of New England elders and the author s friends bring to life the outdoors as seen through many different eyes, inspiring readers to take a new look at the world around them. With the author s knack for descriptive language, this compelling read will strike a chord with anyone interested in the contemplative side of nature-which, in truth, is most of us.
