

## Phallic Objects: Monuments and Remains (Paperback)

By Private Printing

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Phallic Objects is a late 1800s guide to then-modern anthropological theory and ruminations on the worldwide phallic cult then considered to form the backbone of near antiquity. Reviewing ruins and other structures across Europe, especially in Ireland and Britain, and remains in India and the Americas, it focuses heavily on historical secondary sources. It is one of the many companions to the infamous Phallism - an invaluable compilation of historical lore for the academic, occultist, or those interested in literary history.
