

Browning and Meredith, Some Points of Similarity (Classic Reprint) (Paperback)

Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

(Tomas Witting)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Browning and Meredith, Some Points of Similarity The aphorism, Defend us from our friends; we can defend ourselves from our enemies, might well have originated with Browning and Meredith. No, says Browning in one of his letters, what I laughed at in my gentle audience is a sad trick the real admirers have of admiring in the wrong place-enough to make an apostle swear. That does make me savage. And one can well imagine Meredith shaking hands on this, with a fellow-feeling, apostolic in its fervor. An enemy may be amusing, even inspiring; but a friend, a stupid friend, is-a test of character. What irony in the fact that Browning and Meredith of all men, the sworn foes of sentimentalism, should be the victims of the sentimentalists! It is easily explained: the fatal attraction of the strong for the weak, therein is the tragi-comedy of life. But to the sane admirers of an author, it is, nevertheless, a trial of the virtues. The clouds of perfumed vapor in which incense-burning devotees have obscured their gods, make one gasp for the air of common sense. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
