WRITE DIRTY TO ME (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Julie, a college English professor, writes erotica novels she can't claim without putting her job in jeopardy. Gray, a retired military officer, has become a New Times best selling author of military action-adventure thrillers. When they meet at their twenty-fifth high school reunion the raging hormones they didn't feel at seventeen explode and she feels things she only wrote about before Gray. He wants to see her again, so he arranges a book signing in the town where she teaches. He even gets an offer to teach a course at her university. She had proposed that course because she wanted to teach it. Gray makes Julie want to be one of her adventurous heroines. What will happen when she learns he's a successful author? What will happen when he learns she writes erotica? This book shows the surprises that can happen at a high school class reunion.
