Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

INSATIABLE (PAPERBACK)

HarperCollins Publishers, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. From the best-selling author of PRINCESS DIARIES comes this supernatural romance with real bite. Sick of hearing about vampires? So is Meena Harper. Meena Harper is familiar with the supernatural. After all, she knows how you're going to die (Not that you're going to believe her. No one ever does.) But not even Meena's precognition can prepare her for Lucien Antonescu-who she meets and then makes the mistake of falling in love with-a modern-day prince with a bit of a dark side for which an ancient society of vampire hunters would prefer to see him dead. The problem is Lucien's already dead. Maybe that's why he's the first guy Meena's ever met with whom she could imagine herself having a future. See, while Meena's always been able to see everyone else's destiny, she's never been able to look into her own. Lucien seems to be everything Meena has ever dreamed of in a boyfriend, though he might turn out to be more of a nightmare. So now would be a good time for Meena to start learning to predict her own future . . . if she has one.
