Horrific threats concerning the brother and sister hit far too close to home for Eve, drawing her back into memories of her own tortured childhood. But Eve knows that there s no time to waste on the past, and with every passing hour her determination to bring the children safely home strengthens. Eve and her team find themselves following an electronic breadcrumb trail left by a boy desperate to escape the evil witch. Their investigation into the kidnapper s sordid past reveals violent coercion, ritualistic killings, and chilling bloodlust--making her terrifying plans for the children abundantly clear. WONDERMENT IN DEATH Things aren t what they seem when Lieutenant Eve Dallas investigates what appears to be a routine murder/suicide. When friends of Darlene and Marcus Fitzwilliams insist Darlene would never harm her brother, Eve digs deeper. Eve learns that Darlene sought help from sensitives, psychics, and doctors of paranormal studies in an attempt to contact her dead parents. After clues mimicking Alice in Wonderland repeatedly turn up, the case gets curiouser and curiouser. Racing against the clock, Eve must travel down the rabbit hole to stop a madman s murderous tea party.
