Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE GOSPEL ACCORDING TO STAR TREK: THE ORIGINAL CREW (PAPERBACK)

CASCADE BOOKS, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What s Christian about Star Trek? Nothing. That s the way most people see it and that certainly seems to be the way the franchise is intended. There s no question that the Trek universe is based on a doggedly humanistic world view and is set in a future time when religion has essentially vanished from Earth. If that s the case, how can there even be a gospel according to Star Trek ? In The Gospel According to Star Trek: The Original Crew, you ll discover how the continuing voyages of Kirk and company aboard the Enterprise--from the original series to the Abramsverse--tell us more about our human quest for God than you ever imagined. You ll learn how Star Trek creator Gene Roddenberry s own spiritual quest informed the franchise, what he and the series really have to say about God and religion, and the amazing image of Christ contained in Star Trek s most popular character. You ll also see how Star Trek can help us recover a deeper, more fully human gospel that embraces our humanity instead of denigrating it and echoes the call of both Spock and Christ: Live long and prosper! (John 10:10). You hold in your hands a treasure. So don t read this endorsement; instead, read this book, which we are fortunate to have. The proof of this endorsement is to be found in reading Kevin s book. The eyes of your heart may be opened too. --David Naugle, Distinguished University Professor, Dallas Baptist University; author of Worldview: The History of a Concept (2002) Don t be scared off by the title, Trek fans. Whether Christian, pagan, atheist, or any other corner on the global higher...
