Although often times they're not equipped to deal with the unique challenges that middle school ministry presents, or they're just not sure what to do when a room full of young teens (who are 'part child, but not quite adult') are running around the youth room. Finally, there's a comprehensive guide to middle school ministry, from two veterans of this unchartered territory. Mark Oestreicher and Scott Rubin help youth workers understand the importance of middle school ministry, the development process for young teens and their implications for ministry, and how to best minister to these sometimes misunderstood students. They share their experiences (as middle school pastors and parents of middle schoolers), giving youth workers the encouragement, hope, and training they need to succeed in middle school ministry.
