Theories have given rise to the numberless modes and systems of practice in medicine. All of these are wrong, and should be discarded as worse than useless, even the best of them. There is error, gross error, in every mode of practice, because it necessarily excludes valuable facts. The only proper mode of practice, if it can be termed a mode, is the eclectic, which simply takes facts from whatever quarter they may come, whether they belong to any system or not, and uses them in the cure of disease. I wish to be distinctly understood on this point. I have not said that there is no truth in any of the modes, or systems, which have prevailed. There is some truth in most of them, not to say all. And the true eclectic will sift out from them whatever of truth he...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
