## The Business Owners Guide to Handling Tax Issues Tax Issues and the IRS: How to Avoid Getting into Trouble with the IRS

By Vivian Hoard

90-Minute Books. Paperback. Condition: New. 56 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. The Business Owners Guide to Handling Tax Issues and the IRS provides guidance for business owners in addressing common disputes with the Internal Revenue Service. The book covers a variety of topics helpful to business owners, including: Options for handling an IRS audit when negotiations fizzle out with the examination division. The role of the IRS Office of Appeals. Who should represent the business in resolving the IRS dispute. What to do if a tax court petition isn't filed in time. My goal was to create a comprehensive handbook for business owners that eliminates the mystery from dealings with the IRS and reduces the uncertainty of resolving disputes with one of the most intimidating government agencies, said Vivian Hoard. The content in the book is a direct result of the questions my clients ask every day, and I hope it will serve as a valuable tool for business owners with similar inquiries regarding their taxes and the IRS. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dana Hintz

*Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).*
