NETWORKS AND INSTITUTIONS IN EUROPE S EMERGING MARKETS (HARDBACK)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. Do ties between political parties and businesses harm or benefit the development of market institutions? The post-communist transition offers an unparalleled opportunity to explore when and how networks linking the polity and the economy support the development of functional institutions. A quantitative and qualitative analysis covering eleven post-socialist countries combined with detailed case studies of Bulgaria, Poland and Romania documents how the most successful post-communist...
