SOUL SOLD SIGNS: OF THE SOUTH

Dog Ear Publishing, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Strewn along the interstates, blue highways, and back roads-all across the South, there are Churches. They come in all shapes, sizes and denominations. This book, as well as others, already in the planning stages, is about holding on to the things that are good about America, whether religious, spiritual or secular. Coffee Table books that will serve to inform, possibly transform, and at least bring a smile to the faces of tomorrow s generation - - who will hopefully take a few minutes to put down the latest and greatest smartphone, pick up a book like this, and...
