

## The Lucky Bugger's Casebook: Tales of Serendipity and Outrageous Good Fortune

By Daniel Smith

Icon Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Lucky Bugger's Casebook: Tales of Serendipity and Outrageous Good Fortune, Daniel Smith, What connects the discovery of America, the creation of Coca Cola and the art book bought for GBP50 that turned out to contain original Picassos? That's right: sheer blind luck. No matter how meticulously things are planned, time after time the most important bits of life are the product of simple, random chance. In wonderfully witty style, Daniel M. Smith gives us the stories of inventors, Nobel Prize winners, scientists, actresses, escapees, engineers, kings, architects, pop stars, criminals, supermodels, tennis champions, opera singers and many more who have benefited from happy serendipity. From the Japanese trader who made fortune after a share price typo to the German novelist who lost his manuscript on a train, and ended up buying some fish wrapped in his own pages at the station, "The Lucky Bugger's Casebook" is a celebration of the type of unexpected good fortune we all dream of - just ask Sir Paul McCartney, who awoke one morning with the tune to 'Yesterday' having arrived in his head overnight.
