Not illustrated. 1891 Excerpt: .he should be able to hit the ball away with his fists. To do this successfully requires a lot of practice. It will thus be seen that team-work is essential to success, --individual play amounting to but little. Should the ball be kicked out of the side lines, a player on the opposite side from the man who kicked it out is permitted to throw it as far as possible in the direction of his opponent s goal. If a player should touch the ball with his hands, the opposite side is entitled to a free kick from where the ball was touched. For the first five years of its existence the Association game was purely amateur in its character; but afterwards the rivalry among the various clubs for the best players became so great that professionals were engaged to take the place of the amateurs. Players were imported into England from Scotland, and at one time the Preston North End team did not include one single native-born Englishman. As public interest in the game increased, and gates consequently grew larger, the salaries of the professionals increased pro rata, until from five dollars per game their pay has reached as much as two hundred and fifty dollars for signing a contract, and from twenty to thirty dollars per game. It is the general belief that any game dates its degeneracy from the period in which professionalism is introduced; but, contrary to the usual custom, Association foot-ball...
