## VAMPIRE SORCERESS THE BEYOND SERIES BOOK 3

Paperback. Condition: New. Phil Newton (illustrator). 275 pages. Michael and Amethyst Romanov are taking a whistle stop tour of Europe. Not for the breathtaking scenery or to sample fine wine and local dishes. Every museum and library is searched and scoured in every country. This trip is not for pleasure, it is all purely business. They are in search of the true Drukkerebema, The Romany Gypsy prophesies about the Prophesised One, the most powerful Witch to ever exist. The search takes them to Rasnov a small Citadel high in The Carpathian Mountains of Transylvania where they find some very distant and very strange relatives who have many tales of Avalonia across the seas, tales that have been passed from mother to daughter for centuries. Michael is concerned for Amethysts safety as Avalonia is under attack once more and Amethysts intuition that they are being followed by a reluctant force is soon confirmed. She misses home, but her inquisitive side soon wins the battle and she must decide where her loyalties lie; either in this life or the next death, it matters not to a Vampire Sorceress.
