Jorge Pinto Books, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this unique collection of cartoons, artist Pablo Helguera turns his attention to the classical music world, offering a respite from the formality of concerts and the foibles of performers and audiences alike. Whether you are a specialist or an aficionado, Artunes will bring you great laughs, all while being a loving celebration of classical music. (.) I think of Helguera as a court jester, holding up a mirror to those self-appointed guardians of classical music, sketching out in humor what we re sometimes afraid to verbalize, while exploding myths and sweeping away fusty traditions (.) while Helguera s artunes elicit laughs, they also convince me of the continued resiliency of symphonies and operas, sonatas and songs - and the men and women who create and recreate them. -Tom Huizenga, from the Foreword You will cry, even howl, with laughter. -Flash Art Inimitable. -The Art Newspaper, London.
