# VOLUNTARY APPLICATION OF IFRS

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A study of factors and explanations within the Swedish unregulated capital markets | The past two decades have resulted in an increase of international trade, capital flows and cross-border economic integrations. These phenomena have increased the demand for harmonized international accounting standards aimed to create an efficient resource allocation, worldwide. The adoption of IFRS is the result of a process towards a greater accounting harmonization. In Sweden, there are four categories of...
