

## Dilemmas of International Trade

Filesize: 5 MB

### **Reviews**

*Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.*  
(Harold Spencer)

## DILEMMAS OF INTERNATIONAL TRADE

Westview Press. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 9.0in. x 5.9in. x 0.6in. In the post-Cold War world, trade is the new arena for competition-between nations, between groups, between ethical and theoretical ideas. In this revised and updated second edition of Dilemmas of International Trade political economist Bruce Moon puts contemporary trade events--NAFTA, United States-Japan controversies, the Uruguay Round of GATT, Chinas Most Favored Nation status, the founding of the World Trade Organization--into historical and theoretical perspective with the British Corn Laws, the Great Depression, the Bretton Woods system, and the origins of the European Union. Economic theory, terms, and concepts are clearly explained and contextualized with those from international relations. Throughout the book, three central dilemmas are examined: the unequal distribution of income and wealth created by international trade, the tradeoff among competing values that trade requires, and the difficult interrelationship between economic and foreign policy goals within and among trading nations. Though internationally framed, each dilemma has ramifications at a variety of levels all the way down to the individuals role in the global economy-as a consumer, as a citizen, and ultimately as a moral agent. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
