DICTATING DEVELOPMENT: HOW EUROPE SHAPED THE GLOBAL PERIPHERY (PAPERBACK)

University of Pittsburgh Press, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Dictating Development presents a powerful and original analysis of how colonialism has profoundly impacted the varying economic growth of developing nations. While previous studies have focused primarily on the domestic neoliberal policies of government and the political capacity of developing states, Dictating Development argues that economic growth is equally influenced (positively and negatively) by colonial powers. Jonathan Kriekhaus examines both historic colonial influences (on...

Reviews

I actually started off reading this article ebook. It is written in simple phrases instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
