Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This anthology is my amateur attempt to share a compilation of my poetry, with anyone who cares to read it. I have only been writing for two years now, and despite the limited time-frame, I have done my very best to fit all I have to say into neat stanzas with a set rhyming pattern. I sincerely hope that what I have to present in the pages to come, strikes a chord with you as a reader. A connection like that would mean the world to me. I am simply a 16-year-old wanna-be writer who found a purpose in confessional poetic expression. I write because it feels meaningful, and I hope that you can find these words as helpful as I do.
