Blacks, Whites, Latinos, Asians: How to Successfully Coexist and Prosper in American Together In the United States, many immigrants are trying to settle down in that country. They want to make America as their new home because many opportunities are available in that nation. As the years go by, the United States is becoming a land with a diverse set of cultures. It is now housing many different types of people from different parts of the world. However, not everybody in America welcomes anybody who will stay in the country. It is a well-known fact that the United States still has some issues regarding about culture diversity. The problem is that some people in the United States cannot help but hate the idea that non-Americans are staying in their own country. It is very ironic because most of the Americans living in the United States have immigrant ancestors. The sad thing is that, immigrants are not only the victims of this concern. Most Americans treat the descendants of the original occupants of the North American continent as strangers of their...
