

A Tryst With Time: The Subtle Art of Process Transformation - An Inspiring Fable (Applied Management Business Transformation) (Volume 2)

By Mr Sandeep Pralhad Khedkar

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 266 pages. Dimensions: 8.5in. x 5.5in. x 0.7in. Time, the most valuable resource we have. It is the most perishable one as well. It is the central thread in all our endeavors. Curiously, time is both outside our control and within as well. The time of the world is beyond us; yet our processes, what we do and how we do it enables us to keep it within our reach. A Tryst With Time is an inspiring fable on the transformation of processes on both, business and personal fronts, all centering on the time dimension. It addresses the transition from problems to opportunities, rigidity to flexibility, resources to results, local to global, and complexity to simplicity, all woven together as three parallel, overlapping transformation journeys; all moving from the gross, physical domains of the routine to the subtler, softer realms of life that are usually not explored by us. - Understand the logic behind the existence of Structural Business Gaps - Generate critical insights into the hidden realities of your business - Develop end-to-end process lifecycle views of your operations - Evolve robust processes for building a learning...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
