

Natchez: City Streets Revisited (Paperback)

Filesize: 7.86 MB

Reviews

This pdf is very gripping and exciting. I could comprehend everything using this created e book. You won't really feel monotony at any moment of your own time (that's what catalogs are for about in the event you ask me).

(Miss Vergie Marks DDS)

NATCHEZ:: CITY STREETS REVISITED (PAPERBACK)

Arcadia Publishing (SC), United States, 1999. Paperback. Condition: New. Language: English . Brand New Book. In its earliest days, Natchez, Mississippi, attracted entrepreneurial people who saw potential for future enterprises. In fact, by the 1850s, Natchez boasted more millionaires per capita than any other small town in the country. This wealth, and the energy that came along with it, created a vibrant and bustling early environment in Natchez. The city streets served as the stage on which the action took place, and where the drama of real life in a young and hopeful America unfolded. Natchez: City Streets Revisited captures through vintage photography the images of this unique period in the city's history. Included are the early businesses that prospered in Natchez, as well as the grand homes of the pioneering families who brought prosperity to Natchez. This visual journey is possible due to the skill, craftsmanship, and foresight of the city's early photographers--Henry D. Gurney, Henry C. Norman, and his son, Earl Norman. Henry Norman trained under Gurney and went on to become Natchez's most sought-after portrait artist. In addition to portraiture, he photographed everyday life in Natchez, strolling the brick sidewalks of the city to document elaborate new storefronts and merchandise displayed on curbs. Earl Norman carried on his father's tradition and continued to photograph the city and its people in his own highly acclaimed collection.
