By Ouida

Michael Walmer, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ouida had one of the most powerful radical conservative voices of the late nineteenth century. Known primarily as a colourful and eccentric novelist, she embodied in her forthright essays a much more piercing energy and single-minded verve. The majority of these ten essays were first published in the early 1890s in the pages of the Pall Mall Magazine, the Fortnightly Review and the North American Review, journals of serious cultural and political debate where she rubbed shoulders with commentators of all persuasions. Ouida's decidedly original point of view added fire to their bloodstreams. All manner of subjects interested her, whether it be what she saw as the phenomenal vulgarity and dangerous venality of modern society in *The Sins of Society*, *Conscription* and *O Beati Insipientes!*, or the nature-hating disasters of modern outdoor design and town planning in *Gardens* and *The Passing of Philomel*, or, most searchingly, the grotesque stupidities of the modern political and cultural life of her beloved adopted Italy in four passionate cries of outrage included here. Perhaps this book's most amused and cool-headed piece, *The Failure of...*
