

Life in the United States, Europe, Asia Africa: Life in Us of A, Europe, Asia Africa, Observation from 1970-2011 (Paperback)

By Prince Gabriel

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This world is a beautiful place, with beautiful people, with beautiful cultures and norms. I see two giant elephants struggling everyday for domination of the scarce natural resources, and for power. And when two giant elephants struggle or fight, it is the grass (that is, the ordinary poor people, like in Africa) that suffers! Who are these two giant elephants? They are China and the United States. Please meet with people, make friends, love, respect other people s culture and norms and cherish other people s ways of doing things, try other people s food, experience other people s cultures and live in harmony with one another. I spent the first twenty years of my life traveling all over Africa, and the other twenty years of my life in the United States, Europe and Asia. This is my observation for the past forty years or so. I learn over the years you cannot force people to do anything against their wish. It is through reason, begging, cajoling, justice, and sometimes appealing to emotion, by crying, using children and women...

Reviews

Unquestionably, this is actually the greatest function by any author. I was able to comprehend every little thing using this created e ebook. Its been printed in an remarkably straightforward way which is merely following i finished reading this ebook in which in fact altered me, alter the way i think.
-- Arianna Witting

An exceptional book as well as the font used was exciting to read. It is actually rally intriguing through reading time. You will not sense monotony at anytime of the time (that's what catalogues are for about when you ask me).
