By Jeremy Sarber

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Charles Dickens referred to the parable of the prodigal son as the greatest story ever written. He has not stood alone in that sentiment. For generations this brief parable as told by Jesus Christ has been not only familiar but captivating to its readers. Perhaps what makes this story so intriguing is the way so many of us can identify with the younger son who rebelled against his father only to later realize the gravity of his mistakes. Unfortunately, much of the story is lost to those of us reading it more than 2,000 years after it was first told. Pastor Jeremy Sarber gives readers a fresh look at this timeless parable.
