## THE EXTRA DAY: SPECIAL EDITION (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Judy, Tim, and Maria were just little children. It was impossible to say exactly what their ages were, except that they were just the usual age, that Judy was the eldest, Maria the youngest, and that Tim, accordingly, came in between the two. Their father did his best for them; so did their mother; so did Aunt Emily, the latter's sister. It is impossible to say very much about these three either, except that they were just Father, Mother, and Aunt Emily. They were the Authorities-in-Chief, and they knew respectively everything there was to be known about such remote and difficult subjects as London and Money; Food, Health and Clothing; Conduct, Behaviour and Regulations, both general and particular. Into these three departments of activity the children, without realising that they did so, classed them neatly. Aunt Emily, besides the special duties assigned to her, was a living embodiment of No. While Father allowed and permitted, while Mother wobbled and hesitated, Aunt Emily shook her head with decision, and said distinctly No. She was too full of warnings, advice, and admonitions to get about much. She wore gold glasses, and had an elastic, pointed nose. From the children's point of view she must be classed as invalid. Somewhere, deep down inside them, they felt pity. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a...
