An extremely wonderful pdf with perfect and lucid information. Better than ever, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CRITICAL MARXISM IN MEXICO: ADOLFO SANCHEZ VAZQUEZ AND BOLIVAR ECHEVERRIA

Haymarket Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. A seminal work of translation, that makes available in English for the first time the most important articles of two of Mexico's leading theorists. While in recent times Latin America has distanced itself from global power centers, and reorganized its political and economic relations, in the realm of philosophy the same tendency is barely visible. Through offering an appraisal and translation of the philosophy of Adolfo Vazquez and Bolivar Echeverria, this work is an important contribution to initiating this reorganization on international philosophical discussion.
