Cognella, Inc, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. While there are many approaches to teaching diversity, Creative Americanization explores how we consciously transform cultural products to suit more mainstream American tastes. With cultures mixing and mingling, different products are constantly modified and transformed, creating varieties that can be a genuine source of individual, communal, and national strength. There is foundational material that covers the complexity of social and cultural diversity in the United States, and class-tested projects that engage students to embrace the cultural differences around them. Developed for today s consumer-savvy students, Creative Americanization shows how multicultural products both shape and are shaped by the American culture.
