Taylor Trade Publishing. Paperback. Condition: New. 232 pages. Are you paying more taxes than you have to There are more than 19 million home-based businesses in the United States56 of all businesses in the United Statesand they generate 102 billion in annual revenue. As far as the IRS is concerned, a home business is no different than any other business. But there is a difference: not only can you deduct the business expenses that every business is entitled to, you can turn personal, non-deductible expenses into tax-deductible business expensesif you are careful to follow the rules. No tax software or accountant knows the details of your home-based business like you do, and the IRS is certainly not going to tell you about a deduction you failed to take. This invaluable book not only lists the individual items that are deductible in your home-based businessfrom utilities to that part of the home where you workbut also explains where to list them on your income tax form. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
