Brand New Book ***** Print on Demand *****.Revelation To Me is a compiled document of events and teaching of the Holy Spirit over a number of years. I had a supernatural experience when the Lord found me. Like Moses and the burning bush, nothing was natural that took place the two weeks and the night the Lord opened my eyes to see. My ears were opened to hear the Spirit of the Lord as He renewed in me a right spirit. These writings are only a small handful of events in my life. In book two, which I am in process of completing, I share my experience the weeks prior to and the weeks following my renewal. This book will whet your appetite so you will be searching for your own burning bush.
