Brand New Book ***** Print on Demand *****.Excerpt from A Summary of the History of the Great War That very year he attacked Austria, then ruled by the young Maria Theresa, and seized the province of Silesia. This province caused another war in 1756, the great Seven Years War. It involved nearly all Europe, and the fighting extended to India and America. At the cost of tremendous expenditures of men, Frederick finally triumphed. Frederick, as Macaulay said, was a man without fear, without faith, and without mercy. He once said Take what you can; you are never wrong unless you are obliged to give back. This unscrupulous policy laid the foundation of modern Germany. William II., like nearly every other Hohenzollern prince, wished to rival Frederick the Great by some successful war. To give Germany what the Kaiser called a place in the sun meant increased colonial possessions, more commerce, and greater international influence for Germany. He dreamed of a world empire, ruled by his sword. Another teacher of German world-empire was Heinrich von Treitschke, who from 1874 to 1896 was professor of history...
