Excerpt from A Memorial Discourse on the Life and Services of Alonzo Benjamin Palmer, M. D., LL. D: Professor in the University From 1852 to 1887; Dean of the Department of Medicine and Science In the literature of medicine Dr. Palmer contributed many fugi tive essays of interest and value. Beside these, he published Lectures on Homoeopathy in permanent book form, and a text-book for schools entitled Temperance Teachings of Science, which has had a wide circula tion. As the crowning work of his life he published in two large octavo volumes a complete treatise on The Science and Practice of Medicine. In preparation for this work he was many years collecting materials, and just previous to the immediate work of composition he spent over a year in Europe in the colleges and hospitals, to avail himself of the most recent advances in medical science and art. It will remain a monument to his industry, his ability, and his devotion to duty, and his intense desire to aid in the advance of the study and work of his life practical medicine.
